Overview of Job Description:

Norris Design is growing. We are searching for full-time landscape architects to add to our talented team in Phoenix, AZ. The ideal candidate shall have 1-4 years of experience (internships included) in a professional organization with experience in and or desire to work on landscape and irrigation design projects throughout the Western United States and Internationally. Additionally, the candidate shall have hand graphic skills, and be proficient with AutoCAD, Land FX, Photoshop, Sketch-Up, Microsoft Word and Excel. An understanding of Adobe In-Design and 3D Studio Max is beneficial. The candidate shall be enthusiastic, creative, with the ability to think pro-actively and work in a high paced collaborative environment. Salary and benefits are commensurate with position and qualifications.

Qualifications:

Bachelors' Degree in Landscape Architecture from an accredited program.

How to Apply
