

Position: Professional Landscape Architect – Licensed Landscape Architect in Arizona.

Location: Tucson, AZ (Oro Valley)

Company Overview: The Garden Gate and related companies have a 16-year track record of designing custom outdoor living spaces for luxury residential homes throughout Southern Arizona, including the Catalina Foothills, Oro Valley, and Dove Mountain. Licensed as a Landscape Contractor and General Contractor, we are dedicated to providing our clients a seamless, turn-key construction experience. For more information on The Garden Gate, please visit us at www.landscapedesigntucson.com.

Job Description: The ideal candidate is a Licensed Landscape Architect in Arizona with at least 5-years' experience, has a desire to work on residential landscape projects and the ability and interest in mentoring junior design staff. Additionally, the candidate is proficient with AutoCAD, Photoshop, Sketch-Up, Microsoft Word, and Excel. Successful candidates are enthusiastic and creative, and can think proactively and work in a high paced collaborative environment.

Qualifications: Hands-on experience managing projects, providing client service, proposal preparation, mentoring staff and project quality control.

This position will require strong time management skills and the ability to manage multiple projects simultaneously. This is a management position. You are responsible for your projects, and oversight and training of other designers. You will report to the owner and must be reliable, professional and an excellent communicator.

Compensation: Salary and benefits are commensurate with position and qualifications.

How to Apply: If interested, please send resume and portfolio (in PDF) to trevor@thegardengateaz.com.
