

Position Opening

March 6, 2017

WHO WE ARE

Founded in 1999, Northland (ND) is a dynamic landscape architecture and planning studio servicing projects that vary widely in type, scope and complexity. From luxury, residential environments to small and large scale urban spaces we care about the details that people notice. ND is where you can put your innovative thinking and business skills into high gear and work alongside other highly intelligent and motivated people. It's a place where you can apply your skills to challenging, interesting, and meaningful projects. It's where we value the diversity of our staff's areas of expertise and in providing an exquisite client experience.

WHAT YOU WILL DO

We are seeking the right candidate to apply their passion and enthusiasm for design in a collaborative and progressive work environment. The candidate will be responsible for translating direction from project design leads into conceptual, schematic and design development packages, and completing production of construction documents. Candidates with team leadership experience will find opportunities to move into exciting project management rapidly.

WHAT YOU WILL BRING

The correct candidate will have a minimum of a bachelor degree in landscape architecture along with minimum of 3 years of practical professional design studio experience. Landscape architecture licensure is not required. The ideal candidate will have strong design & planning abilities with excellent presentation skills, both verbal and visual. A productive working knowledge of CAD is requisite with other design software skills such as but not limited to Sketch Up, Photoshop, InDesign and other being highly beneficial. The candidate must be an excellent collaborator willing to contribute to a team effort, but also show an ability to work independently. The candidate must be flexible and able to adapt to rapidly changing project requirements and deadlines.

WHAT WE OFFER

Located in a rapidly growing area of Utah County, our neighborhood is filled with convenient restaurants within walking distance and the new Provo/Orem MAX BRT line which runs adjacent to our location with a convenient stop being constructed currently. ND offers a vibrant, recently remodeled studio environment that is conducive to the design products we produce allowing for an open and collaborative experience. We offer a highly competitive wage with benefit options and other unique benefits that our current staff highly value. This is a full-time position.
