

COLWELL SHELOR LANDSCAPE ARCHITECTURE

4450 NORTH 12th STREET
SUITE 104
PHOENIX, ARIZONA 85014

COLWELL SHELOR LANDSCAPE ARCHITECTURE, an award winning urban design and landscape architecture firm is seeking a talented individual with 1-2 years of relevant professional experience to become an integral part of our growing team as a designer/project manager. Commissions include a diversity of high quality urban/downtown plazas, institutional, historic, parks and recreation, residential and master planning projects.

Candidates shall demonstrate a high degree of design potential, and a desire to learn and collaborate with others.

The firm offers a team-oriented, collaborative multidisciplinary working environment, competitive compensation, and potential for significant growth within the organization.

This role requires:

- A collaborative and positive work ethic
- Bachelor's degree or higher in Architecture or Landscape Architecture
- Entry-level proficiency in AutoCAD and Microsoft Office, Revit, Adobe Creative Suite, Rhino, V-RAY, SketchUp, and Grasshopper
- Excellent hand and computer graphic communication skills and aesthetic sensibility
- Strong oral and communication skills

Please submit a cover letter describing your work experience, design philosophy and traits that make you an excellent candidate for this position, a resume and portfolio in PDF format to:
