

VOGEL & ASSOCIATES
Integrated Planning with Innovative Solutions

POSITION Landscape Architect/Land Planner

FIRM Vogel & Associates is an international planning and landscape design firm that is dedicated to providing integrated and innovative solutions. The firm is committed to providing a high level of design and professional service. Our strategic planning approach ensures that environmental, economic, social & cultural considerations are integrated with each unique project in a balanced and viable manner.

This diversity of professional experience combined with the firm's holistic approach to the practice of planning and design has resulted in numerous internationally and nationally recognized mixed use, residential, education, recreation and resort community projects. Vogel & Associates diversified portfolio and commitment to excellence has resulted in several long-term engagements and client relationships.

DESCRIPTION The firm is currently interviewing potential candidates for a Landscape Architect/Land Planning position. The position requires an ambitious, talented and self-motivated individual with an excellent work ethic and a passion for growing professionally. The individual will be working on landscape architecture and planning projects, incorporating physical planning and architecture at multiple scale in the US and Latin America. This position includes joining a seasoned team of planning and design professionals in a boutique firm.
