

LANDSCAPE DESIGNER FULL TIME - PHOENIX OFFICE (3-5 YEARS OF EXPERIENCE)

Location: 600 North 4th Street, Suite D,
Phoenix, Arizona.

We are located Downtown on the bottom floor of the Skyline Lofts with lots of natural daylight and a street view.

Description:

Dig Studio is a creative and energetic Landscape Architecture, Planning and Urban Design firm with offices in Phoenix and Denver. Our growing Phoenix office is seeking a highly qualified candidate with 3-5 years of experience working under a licensed Landscape Architect to join our talented team. Candidates should be passionate about our profession, self-motivated, hard-working, enthusiastic, must display strong creative skills and adaptability for different project types. The ability to work well in an energetic and collaborative culture is a must. Candidates should have experience taking responsibility on projects to provide high quality, clever, client focused design and planning solutions. Experience in a variety of project scales and types are desired. Excellence using 3d tools to design (SketchUp, Rhino) and ability to quickly produce illustrative plan and perspective renderings (Photoshop, Illustrator) is required. Candidate should be AutoCAD proficient and be adept at helping to create Construction Document packages.

To learn more about Dig Studio (a woman-owned, small business), visit our website at www.digstudio.com

Responsibilities:

- Participate in project teams and collaborate with consultants and internal team
- Prepare construction document sets, including construction details, layout, grading and planting plans

- Produce visual project graphics such as 3D Models, Diagrams, and Renderings
- Participate in all phases of a project's evolution from planning and design to construction documents and construction observation.

Qualifications:

- Experience and interest in a variety of project scales and types
- Thorough understanding of construction details and construction document packages
- Excellent organization skills
- Willingness to explore multiple ideas

Education Requirements:

Bachelor's or Master's Degree in Landscape Architecture or Urban Planning from an accredited College or University.

Technical Skills & Program Knowledge:

Required:

AutoCAD	Adobe Creative Suite
SketchUp	Microsoft Office
Google Earth Pro	Hand Graphics

Preferred:
