

VOGEL & ASSOCIATES
Integrated Planning with Innovative Solutions

POSITION: Landscape Architect/Planner

FIRM

Vogel & Associates is a boutique international planning and landscape design firm dedicated to providing integrated and innovative solutions. The firm is committed to providing a high level of service to our long-term clients. Our strategic planning approach ensures that environmental, economic, social and cultural considerations are integrated with each unique project in a balanced and viable manner.

This diversity of professional experience combined with the firm's holistic approach to the practice of planning and design, has resulted in numerous nationally recognized mixed use, residential, education, recreation and resort community projects.

QUALIFICATIONS

Vogel & Associates is currently interviewing professional planners/landscape architects with excellent interpersonal, organizational and communication skills that can effectively participate and contribute to a collaborative design process. Being a creative problem solver with an entrepreneurial mind-set is essential. This position requires an ability to work at a variety of project scales from planning to detail design.

EXPERIENCE

- ❖ 3 – 5 years of professional experience at a planning + landscape architectural firm
- ❖ Bachelor's degree in landscape architecture or planning

SKILL SET REQUIRED

- ❖ Proficient in site planning, grading, preparing planning submittals + construction documents
- ❖ Expert / Proficient in AutoCAD, Photoshop, Land F/X, Sketchup, PowerPoint + InDesign
- ❖ Strong graphic and design skills
- ❖ Strong verbal and written communication skills
