

TODD+ASSOCIATES

CRITICAL THINKING / CREATIVE DESIGN

Landscape Designer

Todd & Associates is a firm of extraordinary professionals working collectively to make the essential connections between critical thinking and creative design. The result of this synergy is a design firm with a reputation for meaningful, purposeful design, and the ability to exceed clients' needs and expectations.

Our goal is to be the "Employer of Choice" in the Phoenix metropolitan area by focusing on attracting the best talent and employee retention.

Our passion lies in the quest for quality of design, strong client relationships, technical expertise and overall professional service. We are committed to clearly defining our expectations of this quest to our staff members, and providing the proper guidance and support so they may perform to the best of their abilities. The success of our firm is dependent on the success of each individual within it.

Todd & Associates is always seeking talented individuals with a strong passion for design, and desire to become leaders in the industry. We invite you to join us for the unique opportunity to learn and grow personally and professionally!

Requirements

Todd & Associates, an architecture/planning/landscape architecture firm located in Phoenix, is seeking an entry to mid-level landscape designer.

Qualifications:

- Degree in landscape architecture or 5+ years in the landscape architecture consulting field
- Experience in site planning and design for private and public sector projects
- Experience with process-oriented design ranging from research and schematic design through construction documents
- Knowledge of southwest plant materials, irrigation design, and construction detailing.
- High proficiency in AutoCAD
- Skills in both hand drawn and digital graphics
- Strong verbal and written communication skills
