

Landscape Designer

At RVi, our purpose is to inspire people to be outside and engage in the community around them. As planners and landscape architects, we appreciate each opportunity to advance this mission by creating memorable outdoor spaces that people know and love.

Our team is made up of smart, fun, and collaborative individuals who see the big picture. In 2017, RVi and LVA Urban Design Studio joined forces, combining LVA's unmatched local Arizona expertise in land planning with RVi's national reputation for planning and design. RVi is now one of the largest firms of its kind in the Valley, and we are looking for a talented **Landscape Designer** to join our growing team.

Located in the heart of beautiful downtown Tempe, our office enjoys direct connectivity to the METRO Light Rail and is located near shops, restaurants, Arizona State University, Tempe Beach Park, and the Tempe Town Lake waterfront.

Desired Qualifications:

- Undergraduate and/or Master's degree in Landscape Architecture from an accredited Landscape Architecture program
- 2-5 years of design experience with a private-practice landscape architecture firm
- Well-developed skills in AutoCAD, Photoshop, Sketch-Up, Microsoft Suite software, Adobe suite software
- Some project experience with a variety of landscape architectural project types in Phoenix and the Sonoran Desert
- Excellent freehand and digital drawing skills
- Well-developed organizational, problem-solving, and communication skills
- Technical experience in site planning, desert landscaping and plant materials, conceptual design, construction documentation, and presentation graphics
- Desire to grow personally and professionally including obtaining LAIT and LA Professional Registration

What you can expect from us:

Founded in 1982, RVi has grown into a national design firm widely recognized for its creative contributions to planning, landscape architecture, and parks and open space design throughout the U.S. From the initial project vision through the final punch list, we work hard to ensure that our client's projects live up to their potential. With offices in Austin, Houston, and Tempe, we serve clients that represent a wide range of market sectors – from private-sector developers to public-sector municipalities, counties, and federal agencies.

We offer a 4-1/2-day work week, a highly collaborative work environment, competitive pay and benefits, a fun corporate culture, and real opportunities to grow professionally. To learn more about RVi, check us out at our website at www.rviplanning.com and at the following sites:
