

Job Title: Senior Landscape Architectural Draftsperson

Company: Ecocentrix Landscape Architecture

About Us:

Ecocentrix Landscape Architecture is at the forefront of designing transformative outdoor spaces for luxury residential estates and commercial properties. Our projects combine creativity, sustainability, and innovative solutions, making us a leader in the industry. Join a dynamic team where your expertise can leave a lasting imprint on some of the most exquisite landscapes.

Position Overview:

Are you a seasoned drafting professional with a passion for detail and design? Ecocentrix is seeking a **Senior Landscape Architectural Draftsperson** to translate visionary landscape designs into precise technical drawings and construction documents. This remote, part-time, W-2 position offers flexibility, collaboration, and the opportunity to contribute to exceptional projects across diverse locations.

Key Responsibilities:

Technical Drafting and Documentation

- Develop detailed landscape architectural drawings, including planting, irrigation, hardscape plans, and technical details using AutoCAD.
- Create and refine technical construction documents, ensuring compliance with codes and industry standards.
- Maintain drafting consistency and file organization across all projects.

Collaboration and Project Coordination

- Work closely with our team of landscape architects, designers, and project managers, as well as with multidisciplinary project teams, to bring creative visions to life.
- Actively participate in weekly virtual project review meetings to discuss progress, challenges, and solutions.
- Incorporate client and consultant feedback into designs while maintaining alignment with project goals.
- Utilize our project management system to track progress and ensure seamless communication.

Quality Assurance

- Perform quality checks to ensure drawings are accurate, clear, and aligned with project requirements.
- Uphold drafting standards to deliver professional, high-quality documentation.

Project and Time Management

- Submit weekly time cards via the company's online tracking system to ensure accountability.

What We're Looking For:

- **Education:** Bachelor's degree in Landscape Architecture or a related field.
- **Experience:** 8–12 years in drafting, with a robust portfolio showcasing technical proficiency in landscape architecture.

- **Technical Skills:** Mastery of AutoCAD (latest version). Familiarity with Adobe Suite, SketchUp, or similar tools is a plus.
 - **Expertise:** Strong knowledge of landscape architecture principles, materials, grading, and local building codes.
 - **Attributes:**
 - Exceptional attention to detail.
 - Strong organizational and time management skills.
 - Excellent verbal and written communication.
 - Ability to collaborate effectively in a remote environment.
-

Why You'll Love Working with Us:

- **Flexibility:** Enjoy the freedom to work remotely in a flexible, part-time role.
 - **Creative Independence:** Shape projects to your standards and influence their direction.
 - **Competitive Pay:** Compensation aligned with industry standards, negotiable based on experience.
 - **Supportive Team:** Collaborate with some of the industry's best professionals in a dynamic environment.
 - **Inspiring Work:** Design luxury environments that redefine outdoor living.
-

Employment Classification

This position is classified as a **W-2 employee role** for candidates based in California, in accordance with the state's AB5/ABC laws. For candidates residing outside of California, we are open to discussing consultant arrangements where applicable by law.

How to Apply:

We'd love to see your work! Submit your resume, portfolio, and work samples via the link below. **Only applications submitted through this link will be considered.**
