

## **Community Planner/Landscape Architect**

*SWABACK is seeking a talented and passionate Community Planner/Landscape Architect to join its award-winning team. This is an exciting opportunity to work with a firm known for its innovative approach, global reach, and commitment to excellence in design.*

### **What You'll Do:**

- Execute landscape architecture and planning tasks across various project stages.
- Collaborate with consultants and internal teams to create exceptional design solutions.
- Prepare design presentations that effectively communicate concepts and strategies.
- Ensure design alignment with zoning ordinances and other regulatory factors.
- Manage project development from concept through completion.

### **What We're Looking For:**

- Solid experience in planning, urban design, and landscape architecture.
- Ability to collaborate and communicate across disciplines.
- A proactive, detail-oriented, and integral team player.
- Proficiency in Adobe Creative Suite, AutoCAD, SketchUp (Bonus: Revit, Rhino, Civil 3D, and Land FX).
- Preferred experience in hand graphics, site grading, and graphic design.

### **Qualifications:**

- 5-10 years of relevant experience.
- Bachelor's degree in Landscape Architecture from an accredited institution or equivalent.
- High-level presentation skills with the ability to collaborate within a multidisciplinary design team.
- Expertise in AutoCAD, Civil 3D, SketchUp, and Adobe Creative Suite. Familiarity with BIM software (Revit, Civil 3D, Land FX) and ArcGIS is a plus.

### **Why SWABACK?**
