

Who We Are:

The Green Room is an award-winning landscape architecture firm seeking a talented **ENTRY-LEVEL LANDSCAPE DESIGNER** to become an integral part of our collaborative team.

We are a firm built on **COLLABORATION** focusing on creating artful experiences in space. We feature an open studio environment located in historic Old Town Scottsdale. We offer a competitive compensation package, the potential for future growth in a team oriented atmosphere and a fun working studio.

Competencies:**AutoCAD**

InDesign (preferred)
REVIT/Lumion (preferred)
Ability to Work Well with Others

Ability to Multi-Task

Permitting Experience (preferred)
Design Detailing (preferred)
Basic Horticulture (preferred)

Responsibilities:

Creating Construction Document Sheets ready for Permitting.
Scanning and Drawing all Hand Sketches into CAD accurately.
Performing on-site Field Verification Measurements and/or Base Mapping as needed and entering accurately into CAD.
Detail drawing assistance.
Making accurate corrections to Redlined check sets.
Maintaining basic File Management Standards.
Setting up all Sheets, Title Blocks and Base CAD files for all projects.

Please **SUBMIT** a **RESUME**, a **GRAPHIC PORTFOLIO** and a **COVER LETTER** describing your work experience, design philosophy and why you believe that you would be a great fit for our team. Please send the above information as a **PDF**, under 20 MB, to our design team at **studio@tgrcollaborative.com**.
