

## **DIRECTOR, LANDSCAPE ARCHITECTURE**

**WestLand** has a new opportunity in our Landscape Architecture Department. The position of Director will have responsibility and oversight for the Landscape Architecture Department, and will have the unique opportunity to work with our current Director as he transitions to retirement. This position will be based out of our Phoenix, AZ office, but will oversee all of WestLand's locations. If you are highly motivated and excited about a growing company and department, and working with a fantastic team, WestLand may be the perfect fit for you.

### **Required Qualifications:**

- Bachelor's or Master's degree in Landscape Architecture
- At least ten (10) years' experience working in landscape architecture, with at least three (3) years in a supervisory or leadership capacity.
- Current registration as a Landscape Architect.
- Ability to build and maintain lasting relationships with a range of diverse employees, clients, and professional organizations.
- Excellent communication skills (written and oral)
- Excellent organizational skills

At **WestLand**, our purpose is to sustain a friendly, inspired company, where dedicated people work together to create exceptional outcomes. We pride ourselves on providing a work environment that is relaxed and collaborative, while supporting the highest standards for project delivery and work product quality. Our team approach to both project and staff development naturally fosters a tight-knit environment of uniquely skilled and experienced professionals, learning from and helping one another.

**Westland** is committed to creating a diverse environment and is proud to be an Equal Opportunity Employer. We invite applications from all interested parties including women, minorities, veterans and persons with disabilities. We maintain a drug-free workplace and perform pre-employment substance abuse testing.
