

EPS Group is the largest, privately owned Engineering firm in the southwest offering opportunities in both private and public sector disciplines. We encourage those with an entrepreneurial mindset to apply to join a firm that offers competitive compensation & benefits in addition to quarterly performance incentives. Remote, telework and in-person opportunities are available at any of locations in Arizona and Colorado and, coming soon to Texas!

We are currently seeking an Entry-Level Planner to join our team in the Planning/ Landscape Architecture department here at EPS Group. This is an opportunity to collaborate on array of urban and suburban planning assignments, from concept to public approval. Our team provides opportunities to explore the planning process for numerous private and public clients, including projects for land development design/entitlements, subdivision design, parks/open space planning, and local/regional planning. The candidate will possess strong writing, design aesthetic and graphic skills.

If you are dedicated and driven to uncover new and exciting solutions in a team-oriented environment then EPS Group is for you.

RESPONSIBILITIES

- Site research and gathering of relevant regulatory documents
- Create graphics and assemble presentations for clients and/or agencies
- Prepare site plans, land plans, and other exhibits/graphics
- Complete application forms, letters, reports, specific plans, and other land planning documents
- Collaborate with project team toward completion of projects

Candidates should have 1-5 years of experience and be proficient in planning and landscape architectural design and demonstrate a high degree of the following skills:

- Knowledge of technical drawings
- Proficiency in AutoCAD
- Bachelor's Degree in Landscape Architecture or Planning or equivalent years' experience
- A combination of landscape architecture and planning experience a plus, but not required.

PERSONALITY & CULTURAL FIT

- Self-motivated, enthusiastic, team-player
- Desire to work in a cooperative vs. competitive environment
- Ability and willingness to help and teach others
- Exhibit persistence and follow-through on commitments and deadlines
- Flexibility and versatility
 - Willingness to work overtime hours when necessary
 - Respond well to frequently changing demands or priorities
- Ability to find and overcome challenges and obstacles
- Capable of working independently as well as with others in a team environment
- Display the desire to improve processes in job, group, and overall company
 - Integrity- demonstrating professionalism and trustworthiness, displaying ethical behavior and honesty throughout personal and professional life
- Focus on achievement
 - Demonstrate a strong drive for results
 - Possess high standards for self and others

Qualified applicants please submit cover letter and resume in PDF format to careers@epsgroupinc.com

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
