

Entry Level Park + Playground Designer

Full Time

Hybrid Schedule

Who are we?

We create captivating environments where deep human connection takes place, adventure is found, and an inclusive community is formed. For over 40 years we have been designing and selling parks + playground equipment in Arizona and California.

Who are we looking for?

You are a quick thinking, detail oriented, multitasking, creative, ray of sunshine. You thrive working with both the big picture and conquering daily tasks. Hardworking, enthusiastic and a team player.

The Work:

- Work directly with sales associates on park + playground design projects for customers.
- Use AutoCAD, SketchUp & Lumion to quickly produce project renderings
- Personal ownership of a project from start to finish.
- Strong organizational, strategic, tactical planning, analytical and problem-solving skills

Expertise:

- 1-4 years working as or with a landscape designer or landscape architect.
- Skilled AutoCAD, SketchUp, Lumion. Adobe Creative Suite and experience with Oracle NetSuite a plus.
- An excellent track record of energetic hustle, personal leadership and adaptability
- Action-oriented and consistent in driving results, even under tough circumstances
- Actively seeks opportunities for self-development
- You perform with a strong sense of urgency without sacrificing quality

Compensation and benefits:

- Top tier medical/dental/vision insurance
- Hybrid work schedule
- Earn up to 3 weeks PTO per year
- Life insurance and long-term disability insurance 100% paid by Employer
- 401k & flex spending account

Hiring process

Resumes don't say enough. This will be a lean interview process. We will contact very few and interview even less. Use your resume, cover letter and creativity to influence us you're the right person for the position.

Submissions

Qualified candidates, please email your resume and portfolio to deland@davebang.com and reference 'Entry Level Park + Playground Designer' in the subject line
