

## Project manager / designer (4-8 yrs. experience)

### *Not loving where you work? Feeling like there's something more rewarding out there?*

If you're not feeling valued and fulfilled, you may be at the wrong company. You're a self-starter with a "can-do" attitude. You work well with clients to help them accomplish the goals, and leading team members through all phases of project delivery is living your best life. You deserve to work at a company that values your skills and expertise.

**Harrington Planning + Design** is looking for you! As a project manager/designer, you will work on high profile and recognizable projects, from initial concept through completion. You will hone your leadership skills as you work with both clients and team members, and you will thrive in the collaborative environment.

This is a full-time position, and if this sounds like the perfect fit, we'd like to meet you.

**Requirements:** CAD, MS Office, and Adobe skills are a must. Prefer 4-8 years of landscape planning and design work experience, with Landscape Architecture or Urban Planning degree.

### **About Harrington Planning + Design**

Driven by a motto of "Unlimited Possibilities," our team provides site-sensitive landscape planning and design that focuses on details and the end user's experience. Since 2011, we have served public clients with pedestrian, recreation, and transportation projects, and private sector clients with resort, medical care facilities, commercial, educational campus, multi-family, and mixed-use development projects.

At HP+D, our people are inspired by a collaborative studio environment to explore new ideas and solutions. Process matters as well as the finished product, and we always remember that client service is key to every business experience. Our solutions are environmentally friendly and creative, and we're proud of the awards that demonstrate our skills and expertise. No matter the size of project, we love what we do!

**Personal traits trump talent.** You'll feel at home if the tiniest details matter, you're a stickler with time management, and your personal values and ethics overflow into your work environment (integrity and trustworthiness are required!). We're looking for team players with strong verbal and written communication skills.

**21<sup>st</sup> century work environment.** In addition to a competitive salary based on experience and talents, HP+D offers a flexible schedule and relaxed working environment, telecommuting, and a positive mentoring culture. We offer an employer paid healthcare allowance and participation in the company profit sharing program once fully vested.

**We're looking for you.** Interested? Please submit a cover letter and resume that includes your skills, talents, life-lessons, education, professional experiences, and salary requests to [business@harringtonplanningdesign.com](mailto:business@harringtonplanningdesign.com).
