

WestLand Engineering & Environmental Services (WestLand) is adding an experienced Landscape Architect to our rapidly growing team in Phoenix, Arizona! The ideal candidate will possess a keen eye for detail and be eager to provide clients with exemplary products. When you join **WestLand**, you join a growing, employee-owned company with a reputation for providing high-quality results and excellent service.

Essential Duties

- Design and create landscape architecture plans.
- Prepare detailed hardscape and landscape construction documents.
- Ensure plans comply with codes and other regulatory criteria.
- Work with current and future clients to build positive business relationships.
- Track and maintain project tasks and budgets including coordinating with subconsultants.

REQUIREMENTS

- Bachelor's degree in Landscape Architecture.
- A minimum of 2 years of professional experience.
- Registration as a landscape architect in the state of Arizona is preferred. Candidates that meet all other criteria may be considered but will be classified as a Landscape Designer until RLA is obtained.
- Strong AutoCAD skills. Mastery of model space, paper space, xref and layer management.
- Experience with LandFX, Photoshop and Sketch up a plus.
- Professional skills should include knowledge of both native and non-native planting design, irrigation design, site grading and drainage design, hardscape design, and recreation amenity design.
- Ability to work collaboratively with other professional disciplines internally and externally.
- Ability to work independently, meet with clients, manage project, manage technical staff in the preparation of technical documents.
- Experience with land development clients preferred.
- Valid driver's license.

WestLand prides itself on providing a work environment that is relaxed and collaborative, while supporting the highest standards for project delivery and work product quality. Our team approach to both project and staff development naturally fosters a tight-knit environment of uniquely skilled and experienced professionals, learning from and helping one another.

Westland is committed to creating a diverse environment and is proud to be an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, age, gender identity or gender expression, national origin, disability, or veteran status. We maintain a drug-free workplace and perform pre-employment substance abuse testing.
