

GREEY | PICKETT

Position: Landscape Architect / LAIT / Designer

Who We Are: Greey|Pickett is an award-winning Land Planning and Landscape Architecture firm located in Old Town Scottsdale. We are a creative team comprised of landscape architects, designers, planners, and implementers. We are a dynamic and energetic group driven by top quality work. We pride ourselves on our high level of design, our strong work ethic and dedication to surpassing our Client's greatest expectations. We provide an exciting work atmosphere with competitive wages, exemplary benefits, and honor the work/home balance.

Who You Are: Greey|Pickett is looking for a Landscape Architect, LAIT, or experienced Landscape Designer who has a true passion for their work. Candidates shall demonstrate a high level of design skills with experience on fast-paced, high level landscape architecture projects. Candidates should be motivated to actively participate with the G|P Team atmosphere and excited to contribute to our portfolio of projects. We are looking for an ambitious, creative and talented team member who eagerly embraces a complicated challenge. With two of the best mentors in the field, G|P is seeking an experienced designer with the desire to continue to learn and advance their career.

Daily Details: In addition to supporting the positive energy of our creative space, the roll also requires:

- Highly organized, self-motivated and detail-oriented approach to work
- Excellent hand and computer graphic skills
- Exemplary aesthetic and understanding of design
- Confidently interprets conceptual designs with the skills to transform them into construction documents
- Proven experience in the preparation of comprehensive construction documents and high-quality site plans, construction administration, consultant coordination, and planting design
- Ability to review all work for completeness and accuracy
- Professional communication skills
- Positive attitude and passion for their work

Qualifications: We require the following:

- Minimum of 4-6 years professional experience in the industry
- Bachelor's degree or equal years of experience in landscape architecture, land planning, architecture, or design
- Proficient in AutoCAD, Photoshop, and Microsoft Office
- Knowledge in InDesign, SketchUp, Adobe Suite, and Lumion preferable
